When you enroll for Dealer Maintenance Notifications through OnStar, we receive notification that action is required on your vehicle. Are you due for an oil change? A 60,000-mile check? A RECALL? You'll always know! Your car will email your vehicle diagnostics report to us and we will contact you when services are needed.

HOW TO ENROLL IN

1. Go into your car, press the blue OnStar button and let the advisor know you want to opt in to Dealer Maintenance Notifications.
2. Log into your OnStar account, under Account Settings and Edit the Notifications to enroll in Dealer Maintenance Notifications.

We've got you covered!
